**Subject: MENTORSHIP OF THE PROJECT: "LIVING ALTERNATIVES FOR THE AGEING (LAFTA)"**

Dear Mme. Mofor,

I wish to refer to your letter Ref. No 00000014/LAFTA/03/2014 of 4<sup>th</sup> April 2014 in respect of the above subject matter. I would like to express my profound gratitude and appreciation for your considering me as one of the personalities to mentor this very innovative Project.

I wish to confirm that I have accepted your request to mentor this Project because I sincerely believe that it is a laudable initiative which can go a long way to impact positively on the social lives of the ageing population in Cameroon and beyond. I am, therefore, looking forward to using my wide and varied experience to make my contribution to the development and success of this unique and well thought out Project

Yours sincerely
